

17 Step Installation Process

❑ Sales Process:

AtlasCare develops a detailed installation specification to review with you. This drives the whole process forward.

❑ Custom Sheet Metal Fabrication:

AtlasCare employs a sheet metal shop to fabricate special fittings required to ensure optimum air flow in your system.

❑ Furnace Venting:

No order can be complete without a clear understanding of how the furnace is to vent safely.

❑ Customer Service:

We install on your terms—we fit into your schedule.

❑ Protection of Your Home:

Specialized handling equipment, drop sheets, runners and booties ensure your home is well protected while we're there.

❑ Installation Kit:

AtlasCare has developed unique installation kits so our installers have all the material on-hand to complete every job in one day.

❑ Licensed Installers:

Every AtlasCare installer is fully qualified and trained. We never use sub-contractors.

❑ Garbage Removal:

We take everything away with us.

❑ Start-Up Sheet:

The AtlasCare installers perform a detailed testing and documentation of the system for future service reference.

❑ Customer Survey:

For continuous improvement, we ask for your feedback.

❑ Quality Audit:

We verify that the work is done to standards.

❑ Duct Cleaning:

AtlasCare has a full duct cleaning service available for those who want to have a perfectly clean system after equipment installation.

❑ Homeowner Manual:

AtlasCare has a unique Homeowner Manual detailing the use and care, documentation and warranties related to the system.

❑ Rebate Administration:

AtlasCare takes care of the paperwork so homeowners can have the confidence that they will get the maximum rebates.

❑ Warranty Registration:

AtlasCare registers all warranties on your behalf—no paperwork necessary from you.

❑ Protection Plan:

AtlasCare has the best service maintenance program available to keep your equipment in the best possible condition.

❑ Unconditional Guarantee:

You must be 100% satisfied with your system or we'll replace it free—or refund your money. This is the best in the business!
